(Hong Kong, 26 March 2013) Hong Kong is a dynamic city that welcomes business travellers from around the world with appealing and unlimited business opportunities found here. Located right in the city centre, Cosmopolitan Hotel Hong Kong offers guests an array of business meeting amenities and packages tailored to their business needs to pave way for business achievements. Exclusive business packages are available from as low as HK\$1,200 (US\$155) per room night for business guests to wind down after a day of exhausting work.

Business Package Offers Seamless Communications, High Degree of Flexibility and Rejuvenating Relaxation

Cosmopolitan's business package offers room deal starting from HK\$1,200 (US\$155)* with all-inclusive services such as 100MB ultra high speed internet service (wired or wireless), complimentary in-room body massager and breakfast buffet. Guests can also take advantage of the hotel's famed 24-hour flexible check-in/out service ensuring a room is readily available anytime of the day to make the most of their stay. Other benefits are daily US\$16 allowance for laundry service per room, complimentary shuttle bus service to 15 business and leisure locations including Times Square in Causeway Bay, Hong Kong Convention and Exhibition Centre in Wan Chai, Pacific Place in Admiralty, IFC in Central and airport express Hong Kong station, etc. What's more, guests are entitled to a "networking hours" session to enjoy free flow of standard drinks and cocktails at Nooch Bar at Cosmo Hotel Hong Kong, which is located right next door, daily from 5pm to 8 pm. We ensure that every effort we render helps to broaden your connection circle and make your business bloom!

Another highlight - OSIM suite, ideal for executive travellers, is an extension of Executive Suite together with a fantastic selection of massage equipment and purifiers that promise to instantly revive the most exhausted mind after rounds of meetings. While SONY's 3D entertainment suite features the latest audio-visual and entertainment set-up including a 46-inch 3D LCD TV with 3D glasses and a 5.1 ch home theatre system. An addition of a personal 3D view in the master room allows viewing of any 3D movies in a privacy setting – promises a "theatre in theatre" entertainment experience if two or more guests are staying. The suite also includes a projector handycam so that immediate viewing of business-related videos and images on the TV is made possible by transmitting the files through a SONY tablet. This could make sharing of meeting materials so much

easier even in your own room!
