MAKE YOUR STAY TRULY YOUR STYLE

**SHOP FOR WHAT YOU NEED FOR AN EXTENDED STAY IN A CHAUFFEUR LIMOUSINE
AT ABSOLUTELY NO EXTRA COSTS WITH COSMOPOLITAN LONG STAYING PACKAGE**

(Hong Kong, 16 April 2009) No matter how well your every need is taken care of by a hotel butler, sometimes you simply want things to be done your way and truly your style! With this in mind, instead of offering guests an array of preselected amenities and services options, Cosmopolitan Hotel encourages guests to make up their own delightful stay by shopping for what they really need and want!

A complimentary two-hour chauffeur limousine service

Cosmopolitan Hotel's long-staying guests can now enjoy a two hour use of chauffeur limousine service complimentary during their stay to anywhere within the city so that they can shop for what they want and stock their own rooms! Guests can make use of the service to purchase their daily commodities for a most personalized stay or get their favorite drinks and snacks to stock their own min-bars! Our shopping-savvy Concierge will be delighted to provide insider's advices on the best shops to go for guests' wanted items!

"Guests who stay for long always ask our room attendants where to buy certain products or a specific brand of product, and sometimes the shops are not easily accessible by public transport. That's why we come up with the idea to offer our guests a drive and let them do their own shopping. It's completely hassle-free and they'll feel like right at home when they carry bags of goods back to their own rooms!" says Anita Chan, general manager of Cosmopolitan Hotel Hong Kong.
